

ELECTRIC BOILER 20

ABOUT THE UNIT

ICS Cool Energy are pleased to offer a powerful and advanced range of electric hot water packages (HWPE) which are now available to hire. The units are capable of operating with a heat output of 20kW and are compact in design as well as being extremely flexible and durable supporting planned and emergency requirements on a long or short term rental basis.

ICS Cool Energy's Electric Boiler 20 offers a quick user friendly replacement for broken down boilers for factories, hotels, care homes and offices or temporary applications like event catering or temporary accommodation. ICS Cool Energy's Electric Boiler 20 connects directly to sites pre-existing heating system minimising the set up time and restoring heat easily with minimal disruption. Furthermore the units are supplied on lightweight trolleys to aid mobility and enable units to be easily and discretely positioned.
