

ARTIC STORE 10

ABOUT THE CHILLER

ICS Cool Energy's Arctic Store has been designed and built with the user in mind offering continuous reliability, optimal performance and low running costs. The ArcticStore has been designed to offer cold storage solutions at a width of 2 pallets with flush fitting machines to prevent any loss of internal capacity. Units are available from stock for nationwide delivery. ICS Cool Energy's rental ArcticStore provides economical, powerful cooling with fault free operation providing the ideal temperature to store your products, with further eco mode operation to minimise power use and self diagnostic capabilities providing additional peace of mind.

All Arctic Store containers are manufactured in accordance with the latest guidelines and CFC legislation. Standard features include:

- High insulation value
- Anti slip aluminium flooring
- Easy open door with inbuilt lock
- 220V LED fluorescent internal lights
