

## COOL FAN 14,500

### FEATURES

A powerful air movement fan designed to meet the needs of industrial, film production, warehouse and leisure applications. From a gentle breeze to a powerful blast of cool air, the ICS Cool Energy Cool Fan 14,500 will provide instant, controllable air movement wherever it is needed. Cool Fan 14,500 is available in 230v and 110v versions. Portable and free standing with wheels. A simple adjustment can be made to give directional airflow both vertically and horizontally for maximum efficiency and flexibility.

### BENEFITS

- Ready to use
- Low running costs
- Variable airflow speed control
- Easy to maintain
- One year warranty
